## CALCUTTA

Every horse will be "sold" in the calcutta.  
The 2018 calcutta payout was HUGE (\$7340!) We expect this year to be just as great and we are going to spread the FUN around a little more this year.

The payout %'s shown below are what we will use in 2019.

The dollar amounts shown behind the payouts are PROPOSED/POTENTIAL Calcutta payouts based on 2018 information:

1d 1st - 35% (\$2551)	1d 5th - 7.5% (\$546)
1d 2nd - 25% (\$1822)	2d 1st - 5% (\$364)
1d 3rd - 15% (\$1093)	2d 2nd - 5% (\$364)
1d 4th - 7.5% (\$546)	

The 2019 calcutta payout amounts will be determined after the calcutta closes and posted at the show office for review.
